## Medio & Grande Bathroom Cabinets

**Attractive and durable. Easy to install. Great value. Quality steel construction.**

The Medio and Grande bathroom cabinets are ideal for low cost bathroom renovations and bathrooms with limited space. Quality 5mm thick, full mirror sliding doors provide a large viewing area without taking up valuable space that outward opening doors require. Attractive and durable powder coated steel construction, finished in brilliant white. The cabinets come complete with mounting hardware as well as predrilled mounting points, making installation easy.

**Practical contemporary design, durability and value for money make the Medio and Grande cabinets the smart choice.**
