## Modeleur Bathroom Cabinets

**Modular design.  
Total flexibility.  
Australian made.**

The total flexibility of the Modeleur range of bathroom cabinets presents endless bathroom design possibilities. Available in 1, 2 and 3 door models, each Modeleur cabinet can be mixed and matched in a multitude of different combinations, turned up-side down to hinge from left or right, and the shelves adjusted both horizontally and vertically.

Available in white and ivory, each Modeleur cabinet is fitted with concealed magnetic catches for positive closing, quality 3mm silver polished mirror glass and a removable toothbrush holder. They can be easily wall mounted, using their convenient keyhole slots, or recessed into a wall.

So simple, yet so flexible, the Modeleur range of bathroom cabinets from Award makes DIY bathroom design easy.
